Rishabh Sarvaliya

Software Developer Intern Candidate | Computer Engineering
Ahmedabad, Gujarat, India | 9737679229 | rishabhsarvaliya179@gmail.com | LinkedIn | GitHub

SUMMARY

Final-year Computer Engineering student seeking a Software Developer Intern role. Built and deployed CMS Pro, a 20+ module Company Management System using PHP, Node.js, MySQL, Docker and Railway, and an Azure-based Cloud Inventory application. Skilled in Java, Python, PHP, C and C++, with strong attention to detail and experience in data analysis. Open to 3D and VFX opportunities.

TECHNICAL SKILLS

Programming Languages: Java, Python, PHP, C, C++
Web Development: PHP, Node.js, MySQL, CSS
Cloud and DevOps: Docker, Railway, Microsoft Azure
Data and Analytics: Data Analysis, Social Media Analysis
3D Art Tools: Blender (Hard Surface Modeling, Environment Art, Animation)

PROJECTS

CMS Pro: Company Management System | *PHP, Node.js, MySQL, Docker, Railway*

- Architected a 20+ module platform covering payroll, attendance, leave management, recruitment, performance reviews, timesheets, expenses, asset tracking, org chart, helpdesk and role-based access control.
- Implemented backend logic in PHP and Node.js with a MySQL database, digitizing employee records, approvals and cross-departmental workflows.
- Customized and extended an open-source codebase using AI-assisted development to speed up feature design.
- Containerized the application with Docker and deployed it to production on Railway.

Azure Based Cloud Inventory | *Cloud, Web Application*

- Developed a cloud-based inventory management system to track stock items and quantities from one centralized, web-accessible platform.
- Replaced manual record keeping with organized digital inventory data that is easier to update and review.
- Live demo: cloud-inventory-mana-09vu.bolt.host

EDUCATION

Bachelor of Engineering (B.E.), Computer Engineering | *Expected 2027*
Ahmedabad Institute of Technology, Ahmedabad | CGPA: 6.49/10 (7th Semester)
Higher Secondary (12th): 55% | Secondary (10th): 92%

CERTIFICATIONS AND WORKSHOPS

- Participated in a Google Developer Groups (GDG) workshop on Artificial Intelligence and Cloud Computing

LANGUAGES

English, Gujarati, Hindi

INTERESTS

Competitive esports, football and cricket (teamwork and strategic thinking)
